RESPONSE TO OFFICE COMMUNICATION

Sir:

An Office Communication was mailed on December 28, 2004 in the above-referenced patent application having a one-month period for response. The Office Communication states that the Exhibits submitted in support of the "Declaration under 37 C.F.R. §1.131," which accompanies the Amendment filed on September 13, 2004, are presently missing. The Office Communication requires applicant to resubmit the Exhibits. Accordingly, Exhibits A-F are resubmitted herewith and are a true copy of the previously submitted Exhibits A-F which were apparently lost in the Patent and Trademark Office.

Respectfully submitted,

Rodney F. Brown
